You're invited to the most outrageous party of the year—  
**Anything But Clothes!**

That's right — no shirts, no pants, no problem. Your outfit must be made from literally anything... except actual clothing. Think duct tape, garbage bags, bubble wrap, playing cards, caution tape — the more creative (and ridiculous), the better! Join us because life's too short for vanilla parties — and you'll never look at a roll of aluminum foil the same way again.
