Join us for our BANGIN' Nude Years Eve celebration on the last "HUMPDAY" of 2025! Tonight, instead of the usual dress to impress, we dress down to basics. As bare as you dare! Come out and bring in the new year with your LS friends, old & new. Enjoy a midnight celebratory champagne toast along with our spectacularly high explosive fireworks show. We know that our members are true players, and we know what you're here for. That's why we keep non-play distractions to a minimum including our high intensity 10-minute fireworks display. We're all anxious to get to our first play of 2026 to christen in the new year!
