Ladies! Do you have a fantasy of being restrained & vulnerable? Maybe blindfolded and used by multiple anonymous Bulls? If so, then this is the time and place to live out your kinky fantasies!

Tonight, our resident Shibari expert, Goffredo, will be assisting the ladies with their bondage and positioning for their night of fantasy. Your significant other will be your gatekeeper.

Participants must be ok with playing in an open area. This event will take place in the open playrooms and the bar area. If it gets too crowded, we will open more play areas. Most Saturday night amenities/activities are not available tonight.
